

## **CHRISTMAS TIME IS HERE (S. Plante)**

Christmas time is here  
And it's time for the Holidays  
Happens once a year  
Let it snow let the children play  
Christmas time is here and it's time  
for the Special Day

Christmas time is here  
Remember what Santa's gonna say  
Stroking his white beard  
Have you been good or bad this year  
Christmas is here and it's time  
for the Special Day

Hold me so tight  
We'll be merry tonite  
Riding around inside a one horse open sleigh

Christmas time is here and it's time  
for the Special Day

Christmas time is here  
Let's rejoice yes let's celebrate  
Happens once a year  
Ain't it great, there's no time to waste  
Christmas time is here and it's time  
for the Special Day

Hold me so tight  
We'll be merry tonite  
Riding around inside a one horse open sleigh

Christmas time is here and it's time for  
the Special Day X 4

'It's Christmas Time!'
